Dear Andover Parents,

Unfortunately, one of our teachers have tested positive for COVID-19. The numbers in South Florida have been escalating at record rates and despite the precautions that we have enacted and no matter how stringent we are with our policies this I guess was inevitable.

We have decided for the best interest and safety of both our staff and students that we close the school immediately.

Please check our website at [www.andoveracademy.net](http://www.andoveracademy.net) for updates.

We will get through this together. Thank you for your patience and understanding.

Sincerely,

Donna Fong
