Credit Card Payments

Hello Parents,

We are finally accepting credit cards beginning on March 1st! This is a test trial for us as we are working on various solutions (including online payments) that we will officially launch for next school year (August 2021). During this test trial, we will NOT be accepting debit cards – ONLY Credit Cards, of course you can continue using cash or check for payments.

We will be accepting – VISA, MasterCard, Discover, and AMEX. All credit card transactions can be contactless via Android or Apple Pay or if your credit card has Tap to Pay. Ms. Donna and Ms. Coleen are VERY NEW to this process, so Mr. Chris will be training them this month!

We will be applying a processing fee of 2.83% per transaction for ALL credit card payments, we are in the process of negotiating our processing fees down so IF this changes between now (February 16th 2021) and March 1st we will update you! If you wish to have a cost breakdown of what your final payment will be with the processing fee, we can provide that to you – just email us at info@andoveracademy.net

For example, if you wish to pay for 2 shirts, tuition for 2 weeks, and registration – we will provide a breakdown of what that would cost and you can decide what payment method works best for you.

If you have any questions about credit card payments, please feel free to contact us – info@andoveracademy.net
