

**ANDOVER  
ACADEMY**  
WHERE LEARNING IS FUN

# October 2021

## LUNCH/Pizza Payments

Pizza Payments are DUE on Wednesdays and Lunch Payments are DUE on Wednesdays for the following week. We CANNOT accommodate for late payments as we need to get our orders in on time!

## Pumpkin Patch Pictures and Halloween Parade!

Stay Tuned to Remind/Procare as we will be sending requests for bushels of hay and pumpkins for our annual pumpkin patch! We will be taking classroom pictures and they will be uploaded to the class page of our website. Our Halloween Parade will be on Friday October 29th the ZOOM link will be given out exclusively via Remind—PLEASE Parents, make sure you are signed up on Remind for important messages! For our parade please no swords, guns, or full face masks. COVID masks of course are OK. A recording of our parade will be made available for parents who cannot attend virtually.

## Communication Policy

You will get a response from staff within 24 business hours when sending a message via email/Procare/Remind. We prefer Remind as some email goes to SPAM and Procare notifications are not working for us on the admin/staff side, so we need to manually check Procare to see what new messages are being received. Please be cognizant that we are getting A LOT of messages on top of phone calls, continue to bear with us, we are trying our best!

## RETURN Andover Clothes

Accidents happen, but please remember parents to return Andover clothes so we have enough for other students. Thanks!

## LABEL EVERYTHING

Please label your students items so it is easier for us to track and identify items. Remember to periodically check to see that the label is not fading or rubbing off!

## Runny Noses/Masks

Please let us know if your student has a runny nose and is wearing a mask. Please either keep your student home or please bring in multiple masks! Thank You!

## Music, Gymnastics, Soccer

PLEASE SEE PAGE 2 of THIS NEWSLETTER for important information on our extracurricular activities!
