

March 2022

Andover Academy

Making Learning Fun

Sign-In/Out

It is vital that you sign in your child/children every morning and sign them out when you pick them up in the evening. Please do not share your account/password—each individual needs to have their own account and/or PIN. Please email info@andoveracademy.net if you do not have your own account or PIN.

LOST & FOUND

The Lost & Found is now located in the lobby. Please check it periodically as we will donate clothes and items that go unclaimed.

Spring Cleaning

PARENTS, it is imperative that you update your contact information as soon as there are any changes. Too often we call parents and get a voicemail message that the number is no longer in service. We also need to have extension numbers to get straight to you. REMEMBER, if we cannot make contact, the only other option is to call 911. We will be updating our records and doing Spring Cleaning for the month of April—contacting you next month to ensure that all authorized pickups and numbers are up to date on your file, emergency contact, and Procure.

St. Patrick's Day Celebration:

Our St. Patrick's day parade will be on Thursday March 17th. Please dress your child in green. The parade will be broadcast live via ZOOM and it will be recorded for parents/family who cannot watch live.

VPK Parents 2023-2023:

Registration for VPK is now open to all of our eligible 2021-2022 Preschool Students! Please pay your registration fee as spots will be open to the public on March 14th. The second step to registering your child for the VPK program is to submit a certificate which can be obtained from the VPK sites. If you have already obtained the certificate please bring it into the office.

Spring Break 2022

VPK Spring Break will be March 21-March 25th.

STOP SIGN

Please adhere to the stop sign under the overhang (and all Stop signs on the premises). Parents please hold your child's hand especially in the lobby and parking lot! Only infant parents can park in the overhang area UNLESS it is raining.

Masks

We are still in a Code Yellow, ALL Adults are REQUIRED to wear a mask inside the facility. We are aware of the new CDC guidance for indoors, but there are exceptions (like Public Transportation and Airports) and we are a population where the vast majority of our students are unvaccinated because they are under 5.

VPK Teacher/Parent Conferences

VPK Teacher/Parent Conferences will be this month, we are still awaiting some scores and results to come back from our virtual assessments.
