Teacher/Parent Conferences

Some of you started with us as we had our first round of parent/teacher conferences and we didn't yet have the chance to establish a baseline with your student. This month and next month we will be identifying these students and coordinating parent/teacher conferences. We will also be planning make-ups for those who did not sign up or missed their conference. Please email info@andoveracademy.net if you would like to setup a Parent/Teacher Conference.
