VPK Last Day

Our VPK 2022/23 School year was initially scheduled to end on Thursday June 8th, but we got confirmation that we need to makeup a day since we went over 5 emergency days this school year—2 for Hurricane Ian, 2 for Hurricane Nicole, and the 2 days we had flooding in April—all of those days were also days that Broward County Public Schools closed. The new last day of school will be FRIDAY JUNE 9th.

Food Preparation

Please peel fruits and cut meat so your children can eat it during lunch/snack. It is very strenuous on our teachers peeling/cutting multiple students lunches/snacks in addition to preparing/cleaning the lunch table, cleaning mats, helping with students on the potty, tying shoes, opening containers, etc. We will refill water bottles, but PLEASE have their water bottles filled before they arrive to school—Thank You!

Teachers Appreciation Week

Plenty of parents have asked what our teachers like, we will be providing a link the first week of May with our updated teacher directory and their favorite things. Teacher Appreciation Week is May 8th—May 12th.
