#### **Food Preparation**

Please peel fruits and cut meat so your children can eat it during lunch/snack. It is very strenuous on our teachers peeling/cutting multiple students lunches/snacks in addition to preparing/cleaning the lunch table, cleaning mats, helping with students on the potty, tying shoes, opening containers, etc. We will refill water bottles, but PLEASE have their water bottles filled before they arrive to school—Thank You!

#### Teachers Appreciation Week

Plenty of parents have asked what our teachers like, please visit this link (<a href="https://www.andoveracademy.net/teachers/">https://www.andoveracademy.net/teachers/</a>)

to see the updated teacher directory and their favorite things. Teacher Appreciation Week is May 6th—May 10th. Teacher Appreciation Day is Tuesday May 7th.
